Prior to approval of a Contractor's request for a subcontractor substitution, the City will give notice in writing to the listed subcontractor of the Contractor's request to substitute and of the reason for the request. The notice will be served by certified or registered mail to the last known address of the subcontractor. The listed subcontractor who has been so notified shall have five working days within which to transmit to the City written objections to the substitution. Failure to file these written objections shall constitute the listed subcontractor's consent to the substitution. If written objections are filed, the City will give notice in writing of at least five working days to the listed subcontractor of a hearing by the City on the Contractor's request for substitution. The general Contractor shall be responsible for any/all costs borne by the City which is associated with the process for such a hearing.

* NOTE – This information may be submitted by the Contractor up to 24 hours after the established bid opening date as set forth in the Notice Inviting Bids.
